Re: The PNC Financial Services Group, Inc.
   Incoming letter dated December 24, 2012

   The proposal requests that the board report to shareholders PNC’s assessment of the greenhouse gas emissions resulting from its lending portfolio and its exposure to climate change risk in its lending, investing and financing activities.

   We are unable to concur in your view that PNC may exclude the proposal under rule 14a-8(i)(7). In arriving at this position, we note that the proposal focuses on the significant policy issue of climate change. Accordingly, we do not believe that PNC may omit the proposal from its proxy materials in reliance on rule 14a-8(i)(7).

   Sincerely,
